Old Business – Fruit will be delivered Nov. 30 or Dec. 1

Checked with John Brown's employer in the mall and he can make us decals for approx. \$2.99 + tax. They will be approx. 4 X 6. We would like to purchase these and sell as a fundraiser. Tammy is going to check the price difference between ordering 100, 250 and 500. She will contact the e-board will final details. Sheila will post decals for sale on the web and we will sell them at our winterguard show.

New Business – Josh Dishner has resigned as guard instructor effective Oct. 31st. Jed Garvey has been helping the guard all year as part of our sponsorship for him this summer with the Glassman. A motion was made by Terri McCord to have him replace Josh during winterguard season. He will be paid the same amount we were currently paying Josh. 2nd by Marcie Wampler. Motion carried.

The winterguard floor that we used last year cannot be reused and needs to be replaced. We would like to sell this floor for \$500 or more and apply the money toward a new floor. The new floor will cost approx. \$1000 - \$1500. Motion made by Terri McCord with a 2nd by Ginger Walters. Motion carried.

General business – The following students are to be congratulated for their placements in the All-East Jazz band – 1st chair Blue Band is Brandon Linkous and Madison Brummitt also made Blue Band. Steven Arnold made Red Band with Bryanna Holloway, Stephanie Barrett, and Seth Wood making the White Band.

We need to move \$1000 from our account to the transportation account at the school to cover the cost of transportation of football season. We are approx. \$700 short but hopefully this amount can be moved back after the band receives money for our fee waiver students.

Sandy Woods will be the committee chairperson for our winterguard show ads – she will be calling for help with selling the ads. This money is used to cover the cost of the judges for our competition.

Mark and Penny Derrick have volunteered to be head of our Public Relations Committee to help the band get more public exposure.

Jerry Linkous ask for help with Brandon's Eagle Scout project. They will be landscaping the Sat. after Thanksgiving (weather permitting) at the Surgoinsville Methodist Church around 9:00 am.

Mr. Light announced that we will have 2 students who will be trying out for the Carolina Crown Drum Corp this summer. They are Chris Thorton and Joey Johnson.
