

Booster Meeting September 17, 2009

Meeting called to order by Tammy Barton. 20 booster members were present.

Minutes were read by Sheila Peters. Motion 1st by Linda Hill
2nd by Lynette Holloway Motion carried.

Financial report was read by Robert Thompson. Motion 1st by Jeff Pyle
2nd by Pam Roberson Motion carried.

Old Business – Lifetouch cannot reproduce composite and we cannot get everyone's picture thru the annual staff. We will try to enlarge a picture from one of our band competitions to use as a composite.

New Business – Band decals – There is a man in Carters Valley that is going to get us a sample to look at – Ronda Morelock was our contact. She isn't at the meeting tonight. We will try to contact her to see where we stand.

General – Tammy went over practice date scheduled September 26th. We will possibly serve lunch to students and we will need help to do so.

Jazz Band will perform Sept. 25th at Surgoinsville's Got Talent.

Per TSSAA rules we are only allowed 10 chaperones at ballgames.

We turned in 20 chaperones for the Western Carolina competition but not sure if we will receive that many passes. Chaperones might possibly have to purchase ticket.

Tammy reported that many parents congratulated us on how well we run our concession stand – the compliments came from football, cheerleading and band parents.

Still working on a design for the sweatshirts – need a file for the logo.

Tammy thanked Jerry Linkous for getting a storage building donated for the band. It will need to be painted and we will check with the vocational school to see if they need a project. If not, we will need parent volunteers to paint.

We gave away donated sports bottles to all in attendance.

Fun Fest meeting was held this week – next meeting all totals will be available. See Robert Thompson to see your account totals.

Motion to adjourn 1st by Lynette Holloway
2nd by Melissa Taylor

Meeting Adjourned.
